

Natural drying with fresh air. For perfectly dry dishes

The 5000 AirDry Dishwasher maximises drying using natural airflow. The door automatically opens 10 cm in the final stage of the cycle, drying dishes naturally and effectively. Dishes dry 3x better than closed-door systems.

Product Benefits & Features

Open the door to dry dishes

AirDry delivers up to 3x better drying performance when compared to closed-door systems. The door automatically opens at the end of the drying phase and air is circulated inside the machine. Dishes emerge perfectly dry. Every time.

Fast and efficient performance

This dishwasher gives you perfect performance - fast, thanks to its special half-hour programme.

- Capacity: 13 Place Settings
- Multi-tab
- Delay Start
- Height Adjustable Upper Basket
- Audible Alarm
